- The estimated cost to rent glassware is \$1.00-\$1.50 per person per hour depending on the details of your event.
- Call or email CK Catering for a quote.
- When glassware is rented for an event, we are required by the venue to have wait staff present for the duration of the rental in order to collect, clear and rack the soiled glassware.
- Wait staff is included with glass rental.
- If glass rental extends beyond 3 hours, additional gratuity for the wait staff may apply.
- Most bartending services require a barback when renting glassware. Check with your bartending service for further details.
- If a barback is not reserved, it is the discretion of the bartender(s) to refuse to use the rented glasses. CK Catering will not issue a refund for this oversight.
